

August 2020

August 1

The moon is in Capricorn and Mercury is opposing Pluto. There are some pretty tense energies around today so go easy. PS The Full Moon cometh!

August 2

There is still no peace for the peace loving today. The sun is clashing with the planet of chaos and madness, Uranus. Put your ego away, for best results. PS The Full Moon cometh!

August 3

Today brings the full moon in Leo. What are you releasing? If you know you've been too proud, now is the time to let all that stuff go. Serious conversations possible.

August 4

The hits just keep on coming, as they used to say on the radio. Today sees a clash between Mars and Jupiter. Potentially plenty of anger swirling around.

August 5

Finally, potentially a little bit of relief. Venus meets the node, love feels destined, and the best way to earn cash is by stepping out of your money zone.

August 6

The moon is in the sign of Pisces. What is it and harmonising with other planets. Overall, it looks like we finally getting a break.

August 7

Today the planet of love, Venus, moves into the sign of Moonchild, aka the sign of Cancer. This is great news for Moonkids, but it's also lovely for everybody. See your daily horoscopes for more info.

August 8

Today is a wonderful day to have a healing conversation. Speak with love.

August 9

For the second day in a row, there are really strong healing vibes for people who need to talk about something that was a bit painful. Don't waste them.

August 10

If a conversation seems to be spiralling out of control today heart take a tip from the stars and stop speaking!

August 11

After a pretty up and down start to August, your best bet today is to meditate. Just say “Ommmm...!”

August 12

Not gonna lie, the energies are heating up again. Be as nice as you can today, for best results.

August 13

Mars and Pluto are clashing today and we can all expect someone around to be in a slightly off mood, to put it nicely.

August 14

The moon is in Gemini today. If you said something you regret yesterday, now would be a good time to ask someone to forgive you. Talk your way through.

August 15

After quite a hectic month, there's another possible sign of respite. Uranus is retrograding. Shouldn't be as painful as it sounds.

August 16

Another day when life could be a little bit sweeter. The Sun is harmonising with Mars. It's a good day to get things done. PS The New Moon cometh.

August 17

If you make today all about good and positive communications, you should win it. #winning PS The New Moon cometh.

August 18

There could be some exciting turnarounds related to cash or love today. Wishing you all the best! PS The New Moon cometh.

August 19

Today brings the new moon in the sign of Leo. It's time to do something you're proud of.

August 20

Today the planet of communications, Mercury, moves into one of its home signs, Virgo. That's going to make it easier to get your message across.

August 21

The Moon moves into the sign of Libra today, which augurs well for relationships. Be nice, negotiate, and see what happens.

August 22

Today sees the sun moving into the sign of Virgo, hot on the heels of Mercury a couple of days ago. Wherever you have Virgo in your chart is where there is a lot of energy right now.

August 23

August has been one heck of a month! Hope you survived it. How are you doing?

August 24

Just when you thought The August mayhem was going to subside, Mars is retrograding and clashing with Saturn. Eek!

August 25

If you had words with someone in the last few days, the energies today support you in Talking things through.

August 26

A lovely alignment between the love planet Venus, and Jupiter, the planet of plenty, augurs well for love and romance, and abundance, today.

August 27

There is yet more romance in the air, and the potential for good things financially. Meditate on what you want. Really. Not kidding. Do it.

August 28

Overall a pretty good day, as the Moon moves through Capricorn and eventually harmonises with the planet of change, Uranus.

August 29

A very good night for a date with your beloved. Also a very good time to have a very deep conversation with someone.

August 30

Passion is in the air. It's a very good day to show someone you love them. Also a very good day for meditating. Access the celestial realms!

August 31

Make a list of everything you have to be grateful for in the last month. It's been up and down, but what can you acknowledge?
